

**WILSON READING THREE-DAY OVERVIEW**

Presented By: Mary Jeanne O'Connor

**Course Description:**

This workshop provides an introduction to the Wilson Reading System and is a prerequisite for all other Wilson training and support, including Wilson Academy membership. The Wilson Three-Day Overview is a fifteen-hour workshop that presents multi-sensory structured language principles and techniques of the Wilson Reading System. The Wilson Trainer describes general program concepts and provides instruction in the lesson plan format.

Topics Include:

- Who benefits from multisensory structured language teaching using the Wilson Program.
- Teaching phonological awareness and phoneme segmentation
- Basic principles of language structure
- How to teach language with direct, multisensory methods.
- Lesson planning and procedures of the Wilson Program
