

**WILSON READING-Intensive Model Level I Certification**

Presented By: Mary Jeanne O'Connor

**Course Description:**

Wilson Certification Training is designed to prepare teachers to implement the Wilson Reading System with students in need of a multisensory structured language program. Advanced training is available to prepare teachers to successfully implement the Wilson Reading System in group settings and advanced levels of decoding and encoding. The Level 1 Certification course is designed to prepare teachers to effectively implement Steps 1-6 with students reading and spelling below grade level and those diagnosed with a language-based learning disability. Participants will demonstrate mastery of the Wilson lesson plan, including multisensory techniques and effective practices in a 1:1 setting. Participants will identify the principals of teaching phonemic awareness, decoding, encoding, fluency, vocabulary and comprehension strategies with the Wilson Reading System.
