Services

**Postsecondary Transition Skills Assessment:** A comprehensive assessment examining the student’s postsecondary goals, interests and strengths in the areas of employment, independent living, and lifelong learning.

**Student Vocational Assessment:** An evaluation of the student’s career interests, aptitudes and work preferences.

**Recreation & Leisure Assessment:** An examination of the student’s interests, and ability to access community-based recreational and leisure opportunities.

**School-to-Work Program:** One-on-one, or small group job-development, employment, and life skill training in community settings with the support of a SEEM Transition Support Instructor (TSI).

**Travel Training:** One-to-one instruction designed to increase an individual’s ability to access their community and use public transportation independently. *\*Not part of Orientation & Mobility Services for the Visually Impaired.*

**Recreation and Leisure Program:** SEEM’s Recreational Specialist assists individual students in exploring recreational interests, and developing skills to plan and access activities with greater independence.

**Transition Specialist Consultation:** Observation and meetings between an endorsed Transition Specialist and individual or groups of teachers, or programs pertaining to transition planning and practices. Consults may be isolated or on-going events.

**Recreational Therapist Consultation:** Informal training and capacity-building within programs, specific classrooms, or with teachers; and the facilitation of recreational events designed to promote opportunities for social skill development and inclusion.
